PRESIDENT'S MESSAGE

Gentlemen:

I would like to welcome our two new perspective members; Bob O'Malley, sponsored by Joe Staples, and Anthony Rossi, who we met for the first time at our food drive and will be looking for a sponsor. Both will be attending monthly meetings and getting to know the membership.

Good News! I Spoke with Steve Mathews who is feeling much better after some MINOR Heart surgery.

Special thanks to Rob Kinney who again supported our club by donating the money for the purchase of the Gasoline card for our show.

Show fliers and tickets should be available at our next monthly meeting along with more show information.

Show time is getting closer guys, so let's get our door prizes together along with any NEW IDEAS for our show. Thanks.

Dan

Street Legal Streetrod Dumpster/*from Al L.*

This is a new Law in New Jersey and most other states. / forwarded by Frank C.

New Law: If a patrol car is pulled over to the side of the road, you must change to the next lane (away from the stopped vehicle) or slow down by 20 mph. Every state except Hawaii, Maryland and D.C. has adopted this law now.

In New Jersey, the "Move-over" law became operative in 2009, fine up to \$500.

<http://www.moveoveramerica.com/>

A friend's son got a ticket for this recently. A police car (turned out it was 2 police cars) on the side of the road giving a ticket to someone else. He slowed down to pass but did not move into the other lane. The second police car immediately pulled him over and gave him a ticket. He had never heard of the law.

It is a fairly new law that states if any emergency vehicle is on the side of the road, if you are able, you are to move into the far lane. The cost of the ticket was \$754, with 3 points on your license and a mandatory court appearance.

Please tell everyone you know about this new law.
