## NEWSLETTER

### PRESIDENT'S MESSAGE / *Tom Harvey*

Spring is slowly springing in! Rain is washing the salt off the roads! We will be cruising very soon! Remember to check those rods and make sure everything is tight and safe. Nothing sucks worse then breaking down at a cruise night or car show. We received our games of chance license and it does not expire till May of 2016. We are in great shape for our Fathers Day Rod Run, posters are ready to be hung, picking up raffle tickets this week and flyers are being printed. Thanks to all who has put forth the extra effort to make all this happen.

Thanks, Tom

### MONTHLY MEETING / *Bob O'Malley*

I was absent due to minor surgery. However I do know that discussions continued concerning the 2014 Rod Run. Posters are ready and were offered to attending members at the March Meeting. Dan Burrows offered to chair the procurement of the Raffle tickets and he will also co-ordinate the vendors. The dash plaque design was approved and sent to manufacture.

### Steering Committee:

Tuesday, April 7, 2014, the steering committee met at the Wharton Fire House at 7:30PM. The meeting was attended by, Pres. Tom Harvey, VP Bill Bosland, Secy. Bob O'Malley, Treas. Jay Miller was late, also in attendance were Joe Staples, Linda A. Bosland, Dave Castle, and Roland Utter.

### Topics

- Posters are in and are being distributed.
- Dash Plaques are ordered and expected by April 15.

- Raffle tickets are being distributed see Rob Kinney.
- Flyers will be mailed out in early May. If anyone knows of people who should receive the mail out please contact Bob O'Malley.

### **Saturday Breakfast:**

Saturday April 5, 2014, we had breakfast, at "LE Peep" in Randolph. Only six (6) members attended,

### **CHARLIE PARINELLO** *Frank Carey*

Charlie is back home after yet another hospital visit. He posts on Facebook about these things and has received dozens of comments of wishing well, sympathy, etc. from his many friends. Here's his most recent post from earlier this month:

May I please take this opportunity and venue to thank all my friends for ALL the well wishes and good thoughts with this recent stay at the hospital. I am home now and will do my best to recuperate and live a life style that is beneficial to me and my health. You all have strength in your messages because I feel well and just have to get stronger.

### **CRUISE NIGHTS AND CAR SHOWS** *Frank Carey*

Here's a website that may be of interest to those of you looking for cruise nights and car shows.

### **ARE YOU REALLY OLD SCHOOL?** *Frank Carey*

If you see the humor in this then you are certifiably "Old School".

### 1936 Stainless Steel Ford / Bryce

In 1935, officials at Allegheny Ludlum Steel Division and the Ford Motor Company collaborated on an experiment that would become a legacy and a tribute to one of the most dynamic metals ever developed.

Allegheny Ludlum, a pioneer producer of stainless steel, proposed the idea of creating a stainless steel car to Ford. The idea took shape in the form of a 1936 Deluxe Sedan. That car became the centerpiece of a campaign to expose the public to the new metal and its many uses.

This is the 1936 Ford Tudor Sedan built for and owned by Allegheny Ludlum Steel. Lots more info available – search ‘Stainless Steel 1936 Ford’.
