PRESIDENT'S MESSAGE

Gentlemen:

All the dues have been paid and we are ready to start 2010. The club activity calendar has already been planned and we should all be looking forward to another enjoyable year. Let's start thinking of some new activities for our Father's Day car show. Everyone's ideas and opinions are both appreciated and encouraged. Remember, this is YOUR club. Try to attend the next meeting as there is much to discuss.

An e-mail from WOTSRA'S Mike Sersen had a link to a website with info about and lots of photos of the 1937 Ford "Housecar" at left. Ctrl + click on the address below should take you to the site, <http://www.gtamarketing.com/1937FordHousecar.html> or as search for: [Graeme's 1937 Ford "Housecar"](#) should get you there.

PA. JUNKYARD *Also from Mike*

One of our members found an old junkyard that has been closed and locked since 1980. The guy has been trying to reopen but Harrisburg says no and he has to be out of there this year. He has fought Harrisburg for 6 ½ years. They gave him 7 years at the beginning. In a few months, all will be crushed. He opens by appointment, generally only on weekdays but for a large group he will have someone there on a Saturday. The cars are mostly 50's and 60's with a scattering of 30-40's. Many parts, full engines, convertibles with top mechanism's (57 Ford for example). He will even sell whole cars, although I am sure from the ground up 6-10 inches, there won't be much that is not rotted away. There are many Buick nailheads, old Cadillac's engines, etc. 55-56 Chevy's, International Harvester pickups.

We are getting a trip together for March 6th. It is still cold enough in March so we don't worry about bugs and snakes. It is about a 2 hour drive from the Lehigh Valley. Anyone that wishes to join us is welcome. That is why I am sending this email to you.
If you or anyone in your club is interested, let me know and when I have more details, I will let you know. (time, place we leave from etc)

If any NJSRA guys are interested, one of our members should co-ordinate with Mike.

If you know of an event & would like it listed, please contact me. A good website to view schedules & flyers on the internet is: www.njcarshow.com
