### Steering Committee Meeting: */Scotty*

**January 10,2011**

Attendees: Bob Grimal, Pete Iozzio, Hank Dahl, Scotty Dietz, Dave Hourigan, Randy Stacy, Roland Utter.

We discussed several items.

The first item Bob talked about his conversation with Jim Troast. Jim asked Bob to thank the club for all we did for him and his children. He said he has plates on his ride and is going to try and make some events with us.

We went over the new roster and made the corrections.

Had a long talk about the newsletter. Several members have it mailed to them in addition of receiving the newsletter by e-mail. We think we can save some cash by eliminating the snail mail and its associated costs, paper, printer ink, envelopes etc. This money can be used for other items, such as meeting room cost, refreshments, boys night out, etc. If you have a problem in not getting your newsletter via email please give Bob G. a call to work it out.

The club survey will be passed out at the meeting. Please take the time to fill it out. We would like to use it for the upcoming year.

Next steering committee meeting: February 14

**CUTOFF CREATIVITY** *Frank Carey*

Some very interesting post-1948 things are starting to happen. Maybe I should say they are starting to come to my attention. That's a subtle but perhaps necessary distinction. They may have been happening all along but not been available to those of us with pre-48 myopia. This one is cool. And from a pre-48 bigot like me that's something.

**For Sale**

We need to clean out the items for sale on the web site and start fresh for the new year. If you have anything for sale get them to Charlie. If you don't have a photo of your car on the site you can get Charlie a copy to post.
