Monthly Meeting: *Scotty*

Our next Club meeting will be January 25th.

Saturday Breakfast

We had our January 7th Saturday breakfast at Bill's Luncheonette in Ironia. It was non typical winter day. Lots of sun and it was warm. We even had a couple of rods show up. What's this world coming to. Pat and Clarence, Jan and Bob, Charlie, Rob and his friend Mike, Jan and Scotty, Tom Henry, and Joe Guerin were in attendance. We had a nice breakfast went out side hung out and talked cars, Etc.

Steering Committee Meeting: */Scott*

Attendees: Bob Grimal, Pete Iozzio, Scotty Dietz, Hank Dahl, Randy Stacy, Steve Mathews,
We went over several items. Lifetime membership, Gifts for members in the hospital, Boy's Night Out, AC auction tickets, dues not paid, and briefly, the show. I'm sure Bob will talk about some of these items at the next meeting.

DESIGNING AND BUIDING STREET ROD BRAKES *Frank Carey*

Here's a web site I found via one of the street rod forums on the net. It has all kinds of good stuff on installing brake systems but the best part of the site is the *How-to & Configuration* section. Here's the site:

<http://www.mpbrakes.com>

Place your cursor on *Tech Support* but don't click it. Just setting your cursor on it will cause a dropdown list. Scroll down that short list and click on *How To's & Configurations*

Lots of good stuff. Even if you're not building anything at the moment, check it out for future reference. And Bookmark it or make it Favorite or whatever your computer provides as a way to save links.

50 WORST CARS OF ALL TIME *AOL via Frank Carey*

No. 38. 1997 Plymouth Prowler

Why is a factory hot rod a bad idea? The whole point of hot rodding is to create and drive something unique. So even if you fit in a Prowler, no small feat in itself, you can't help but look stupid in one.
