Meeting Discussions

Most of the meeting was about the show. We are still getting bills and waiting for some of our promised items. We should have a total and more info by the next meeting.

We want a good turn out for the guys and gals of the Wheels of Time show. If you are there you should be helping our club with the valve cover track. We know there are several guys going out Saturday just to work the track.

We set a date of Sept 11th for our visit to Lyons Hospital for the Vets. It's IMPORTANT that we have a good turn out for this. Keith will be in charge of this project.

Rob talked about a garage run. More info to follow.

50-50

This months winner was ME!!!! I may buy a winter home in the southwest, or a ¼ tank of gas for my truck with my winnings.

Life is good!

Saturday Breakfast

Last minute change of plans. Found out late Friday night our original location was closed for renovations and with new management. I sent a email trying to let every one know. Our new spot was at the Brookside Diner just up the road. Pat & Clarence, Halina Jeff & Adam, Charlie, Janet & Scotty. We spent about 1 & ½ hours chatting about cars the meaning of life and other good things.

Steering Committee Meeting: /Scotty

Attendees: Bob Grimal, Pete Iozzio, Hank Dahl, Scotty Dietz, Dave Hourigan, Roland Utter.

Most of the meeting was finalizing several show items. Hank has gotten the last of the outstanding bills and is working on the bottom line. We should have everything put together by this month's meeting. Scotty pointed out how every one worked their butts off this year for the show. Bob, Roland and Danny were the behind the scenes guys prior to the show and did a great job helping me get-r-done. (I want to thank everyone for making this show a good one. (Scotty)

At this month's meeting we are planning to present Nick and his family with a check. It all depends if Nick is able to make the meeting. In any case the meeting will be short. We are planning the usual Ice Cream run to Denville after the meeting. We will do this whether we are able to present the family with a check or not.

We went over going to the Wheels of Time show. Bob will make arrangements to get the valve cover track out to the show. Pete is taking care of getting the Pizzas we usually give to their canteen. As we have talked about at our last meeting, several members are going out for the day just so they can help out. If you are there please give a hand.

As we did last year we are going to have a night out thanking our wives for helping out at the show. This year we would like to have all the members and their wives come. This dinner is not paid for by the club, it's on you. More info will be sent out as soon as we have determined a date.

Anyone going to Louisville?

Greetings, I am looking for some one who is going to the NSRA nats in Louisville, Ky. I need to pick a car for the NJ safety pick. This person should have a safety inspection now and has passed all 23 items on our check list. Please send me a name and contact info for your choice from the club. I will pass it on to the officials for the event.

Thanks Dennis Dahlinger
