NEWSLETTER

President's Message:

I want to thank the members of the Steering Committee for their hard work. They have come up with some new ideas and I look forward working with them. I think the club will have a great season of events. If you have any thoughts or ideas don't be shy about letting me know.
Bob

50-50

There was no 50-50 this month.

Meeting Discussions

- We talked about Lou's Open House and Appreciation Day. There is a conflict with the date he was going to have it and he is going to reschedule.
- There was talk about the food drive with the Our Gang Cruisers. The location and date are uncertain. More info will be coming.
- We signed a card to be sent to Joe Luongo. He is having some medical problems, and we wish him well.
- Bob O'Malley talked about doing something at Lyons Veteran's Hospital at one of their events for the Vets'. He will be getting further information for us.
- There was some discussion about selling used items. Charlie pointed out you can't sell something if no one knows about it. He offered to help get photos and a listing on our web site. It was mentioned

that a long time speed shop owner John Lee would also be helpful in selling items. John is a supporter of our club's show. He owns Lee's Speed Shop in Hamburg on Rt.23 N. If you are in need of any new parts he offers just about anything you may want. You will be surprised at his prices. He is sometimes LOWER than the big guys like Jegs, Summit, Etc.

- A survey was passed out to help the steering committee plan items for the club. We know you, the members, have a lot of good ideas that are never passed out to the entire club. Here is your chance to be heard. When you get it finished you can either mail it back to Scotty or give it to him at the next meeting.
- The Father's Day Show is coming up very soon. We are trying not to tie up the meeting with too much talk about this, but there are several items that will need to be discussed. It was mentioned that we will need some volunteers to help with some areas of the show. If you want to be in charge of anything (That is a cry for help) please let us know. We will be needing items for the door prizes, tricky tray, and raffle ticket. Just about anything will be appreciated. The items can be anything from a gift certificate for a meal, a new jacket, a can of wax to a brand new engine. You won't get anything if you don't ask.
- Bill Bosland showed his new line of clothing items for the new season. If you would like him to order anything for you give him a call.

Steering Committee Meeting: /Scotty

Attendees: Bob Grimal, Pete Iozzio, Hank Dahl, Scotty Dietz, Dan Burrows, Steve Mathews, Randy Stacy, Joe Staples.

We covered quite a few items.

Many of you may remember Ray Canty and his red Ford Sedan. Ray has helped us out with our show the years he wasn't a member. The main reason Ray left the club was his work schedule. He works nights and has a tough time making meetings. Ray has spoken to the steering committee and reapplied for membership. The committee has voted to allow him to become a full member effective immediately.

We set up a date for Boy's Night Out - Thursday April 14th, Town Tavern, Macoupin Rd, West Milford.

We went over plans to set up our Holiday Party. More info will be coming.

We brought the newsletter list up to date. We will be e-mailing the newsletter to each member. If you would like to get a hard copy mailed to you, we will be asking you to help defray the costs and pay \$5.00 per year.

The committee has set up rules for the web site for sale items. Members will get free listings. Please keep them up to date. Non-Members will be allowed to list items for a fee. The cost will be \$10.00 per month for items over \$500.00 and \$5.00 for items under \$500.00. Charging a fee will help the club cover some of the cost for having the site. These rules will go into effect now.

We talked about members working the valve cover track at the Wheels of Time show. Bottom line - If you are there try to help the club do our thing. The Wheels of Time guys, and girls go out of their way to help us so you should too. It's not asking much considering the great time we have there.

We spent quite a lot of time on the upcoming Father's Day Show. We plan to have the flyers, raffle tickets, Etc. printed at the end of March.

Charlie has sent out solicitation letters to quite a few companies that have been of help in the past plus several new contacts.

By now you should have gotten an email from Clarence. He and Pat will be taking care of the door prizes and will need your help in getting items to be given away. Please **try** to help.

Randy and Fran will be taking care of the raffle tickets.

Several others have offered to do other jobs. More info on this coming

Fathers Day Show Information :

Here is some information on the young man who will be the recipient.

Nicklaus Rosso. 15 Years old. Ledgewood, N.J. Freshman Roxbury High School. Member of the Marching Band, and Golf Team. Nicklaus has been diagnosed with Acute Myeloid Leukemia. He has started having treatments to help him get well.

Monthly breakfast.

12 of us showed up at the Empire Diner for monthly Saturday morning breakfast. Halina, Adam and Jeff, Sue & Danny, Pat & Clarence Jan & Scotty, Charlie, Karen & Pete. We had a good meal and sat around and shot the breeze just about everything. It was good to see Pete. He had just spent some time with his doctor, and we weren't sure if he and Karen would show. Hope more of the members can make the next one. It's at the Little Food Café.
