Steering Committee Meeting: */Scotty*

Attendees: Bob Grimal, Pete Iozzio, Hank Dahl, Scotty Dietz,
Danny Burrows, Joe Staples, Roland Utter.

We spent most of the time going over the upcoming picnic. What is needed, who's coming Etc.

Talked about a food drive again this year. As you may or not know the Our Gang Cruiser Club is no more. So that means we will need to take the lead in having this.

Next item . The Post show /Holiday party. Pete is heading up the preparations, He can use some help if you would like to give a hand. We are going to try and make a few changes .It's going to be a B.Y.O.B. deal. We are going to try for live music. The party will be at the Little Food Café. Saturday December 10th. Starting at 700 pm. You can park in the rear of the café or across the street at the bank.

We paid some bill's . Talked about how we could get more members to participate in the club doings. And a few other things.

Birthdays

Clarence Staples, Scotty Dietz, Steve Mathews, Jack Beckett.

Some show info.

I thought I should give you some feedback on our Father's Day show recipient Nick Russo.

The Sunday after Nick passed away his mother Debbie call me and asked if I could stop over. I asked her if it would be OK for Bob to come along. I called Bob and he suggested that we take the donation check along with us. We went over the day before Nick's viewing and met with Debbie and Ed. They couldn't have been more gracious, especially considering the circumstances. We spent some time with them and presented them with the check. I think they were a bit surprised with the amount.

Personal Note

There were quite a few events the past two months. I was unable to attend most of them for several personal reasons. I'm sure many of the other members that were unable to attend those events would like to know who was there what it was like, Etc. If you attend a event, why not take a few minutes and send me some info so I can put it in the newsletter. A little help would go a long way.

Macungie - Saturday Valve Cover Races

Pete picked me up early Sat. morning and we headed out to Macungie. When we arrived, not much of a surprise. The place looked like the hurricane had already been there. Not very many cars, nearly no one left in the swap meet.

The time schedule was changed, so we went to the area met up with Joe, Jay, Big Eddie, Danny, Lou C, Jeff, and Jill (Potts) from the Wheels Of Time to help set up the track. We decided to wait and see how many kids showed up. After about 45 minutes 6 kids were there. We talked it over and decided to pack it in. During the trailer hook up a voice came out of nowhere : "Just how many North Jersey members does it take to hitch a trailer". Photo below. Identities protected to save embarrassment to those members. Big Al from the W.O.T. asked us to eat something at their canteen. Pete & I said hi to a few old friends and headed home to prepare for the storm.
